As a shipsupplier, Wrist does not and cannot provide warrenty on the contents of the items it sells. Wrist sells products manufactured by third parties, Wrist relies on the disclosure of those third parties to determine whether a product contains materials that could be deemed hazardous. As a service to our valued customers, Wrist will make all reasonable efforts to disclose the presence of known hazardous materials it sells (as that term in understood at the time of delivery). However, any disclosure or absence of disclosure by Wrist should not be the customer's sole basis for determining if the customer has met its IHM obligations. We have no liabilityfor any loss or claim incurred by you or any third party due to such rules and regulation including any advice we may have given. We have attempted to convey the information to you to the best of our knowledge.
